

Bathurst Aero Club

School Holiday Activity - Phonetics

When pilots and air traffic controllers talk on the radio they use the phonetic alphabet. This avoids confusion between letters that may sound similar. For example the Bathurst Aero Club Aircraft, VH-BAC would be transmitted as Bravo, Alpha, Charlie. The VH means the aircraft is registered in Australia and so this detail is not transmitted.

- Can you find the phonetic alphabet letters in the puzzle below?
- Can you find any other words?

- Alpha
- Bravo
- Charlie
- Delta
- Echo
- Foxtrot
- Golf
- Hotel
- India
- Juliet
